

Hello everyone!

I have a few questions for you. Are you prepared if there is a wildfire near you? Do you have your own emergency plan? Do you have enough water, food, and medical supplies for yourself, your family and pet? Do you know what emergency resources exist in your neighborhood? If not, we can help! Please join this informative workshop via zoom webinar.

Guess what! Once you attend to the workshop, you will receive a FREE emergency go bag (limited supplies are included). If you want a FREE emergency go bag, please register!

To register online in advance, please click on this link: <https://www.eventbrite.com/e/wildfire-preparedness-education-american-sign-language-tickets-166555258261>

For more information, please see attached flyer and instruction video. If you have any questions or concerns, please do reach out to me!
